Request for Proposals
for the Building Demolition Services
for the Town of New Sharon
New Sharon, Maine

Addendum No. 1
March 11, 2020

The following is an addendum regarding the RFP for the Building Demolition Services.

1. Fuel oil in tanks are to be removed by the Town. The Contractor is to remove the tanks.
2. No demolition permit is needed from the Town.
3. Route 134, Cape Cod Hill Road has been posted by MDOT. MDOT will assess road when contractor is ready to start to determine when heavy loads will be allowed on the road.
4. Contractor will be required to hold the town harmless for any issues arising from the disposal of the demolition debris.
5. Gravel shall be 3" minus gravel base, topped with 3" of 1" minus gravel and graded for a parking lot.

End of Addendum No. 1
