Dear Residents,

We regret to inform you that due to recent unexpected IT challenges, we must extend the 2024 tax commitment by a few additional weeks.

We are actively working with KRT (the revaluation company), our municipal software provider Trio, and IT teams from both KRT and our own IT vendor, to resolve the technical issues as quickly as possible.

As approved by voters at the March annual town meeting, taxes will remain due 60 days from the mail date of the billing.

We anticipate finalizing the tax commitment no later than mid-October.

We appreciate your understanding and patience during this time. We are committed to providing you with accurate and timely tax information.

Thank you,

New Sharon Board of Selectmen
